Leaders

Helping to Pave

When you talk about spirit, no one has it like our administration, headed by our very noble and Highlander-spirited Principal, Mr. Norm Hash. He has led us along the road to victory, prosperity, brotherhood, and, most of all, pride. Our great leader was helped by his worthy assistant principals, Mr. Donley, and Mr. Warren, new on the administration this year.

Also new on the administration is Mr. Dillard, in charge of attendance. Our administration commands a lot of respect.

- (1) Mr. Hash, our dedicated and very friendly principal.
- (2) Mr. Warren, new this year to the administrative staff, learned how to be an assistant principal.
- (3) Besides watching over the lunchroom, Mr. Dillard is the new attendance administrator.
- (4) Mr. Donley continues his job as assistant principal.

The Road

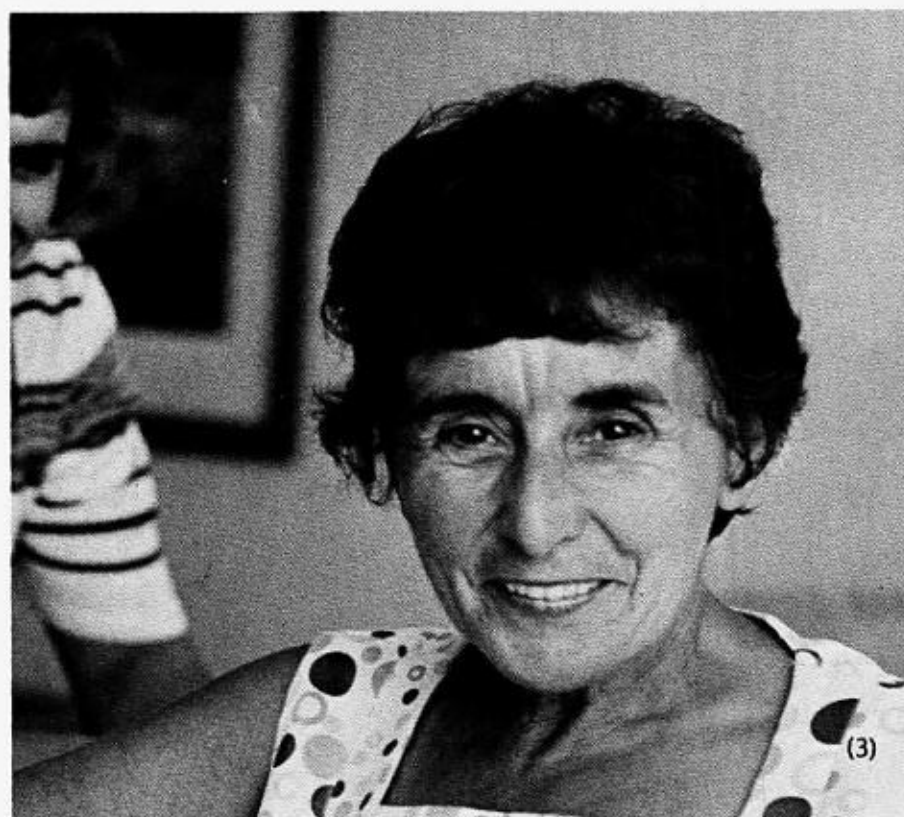

Helping the administration in Hazen's government is Executive Board. They helped make that road toward greater achievement less steep and winding. The Board is made up of S.B.A. officers, class presidents, and committee chairpersons. This year's dedicated board included the S.B.A. officers; President Karrie Davis, Vice President Nancy Dickinson, Secretary Linda Bergh, and Historian Judy Dohrn. Shelley Black was Senior Class President, Karen Snyder, Junior Class President, Joy Ernst, Sophomore Class President, and Beth Griffin, Freshmen Class President.

Boy's Club President was Jack Brown, and Robin Robb was President of Girl's Club. Committee chairpersons included Beth Ernest, Publicity; Jeff Janders, Leadership; Sandy Lee, Assembly; Clyde Miller, Activities; Jim Nightingale, Constitution Revision; Lorri Otsu, Fundraising; Kim Widen, Dance; and Debbie Wickham, Election. Mary Helmer was Pep Club President and Rod Mann was Key Club President. Rhonda Lee was cheerleader Representative, and Ken Mack was B.S.U. Representative. They were under the helpful guidance of advisor Mr. Stover.

 (3) As registrar, Mrs. Box always has something to keep her busy.
 (4) Mrs. Smith, the bookkeeper, tries to keep the records straight.

Always There to Help

The many secretaries and other administrative helpers did a very commendable job this year. Aside from the usual hard secretarial work, they were always available and friendly in answering our questions.

- (1) If you ever had an "owie", Mrs. Bouchard, the nurse, was there to patch you up.
- (2) Mrs. Cunningham's smile, above her work, was usually the first to greet you when you walked into the attendance office.
- (3) Mrs. Pritchard, principal's secretary, also did a good job putting out the Daily Bulletin.
- (4) Mrs. Wiemann had much to do as the counselors' secretary.
- (5) Mrs. Durrin's job was to try to keep attendance organized.

Help With a Smile

(4) Miss Rolstad, who has lovingly helped the seniors through the past four years, offers last words of advice and best wishes as they embark on their journey into the world.

The Silent Supporters

- (1) Mrs. Runyon was the one to ask when you got lost in the library.
- (2) We have our dedicated custodians to thank for keeping our school clean and in good repair.
- (3) Actually, our kitchen staff should be commended for keeping the lunchroom stocked.
- (4) Each person has an important part in the accomplishment of any task.

Cadet Band Is the Beginning

The Hazen Cadet Band is the starting point for many people to become musicians in their latter years. During the year they learn the fundamentals of playing a musical instrument. At the same time they play for various activities and sports throughout the year. Many of them include wrestling meets, Sophomore and Freshman basketball games, swim meets and other sports that do not usually get band backing. They also perform at the Christmas Concert, Spring Concert, and various contests. Their officers include: Barb MacAulay, President; Brian Jennings, Vice President; Kyle Janders, Secretary; and Barb Snyder, Librarian.

Some of their activities included Christmas Caroling, collecting toys, making Valentines for the people at Highland Convalescent Center, and giving an Easter egg hunt. They have also made tray favors for the Highland Convalescent Center. The members feel that the purpose of Spades is very serious and important, but they have a lot of fun and the rewards of making others smile are great.

KZEN and Highlife Are

This year's T.V. news program was improved by coming out with a more consistent and trained technical crew. Producer Scott Hilder working with Advisor Mr. Lew planned out the basic format of the show.

Some of the new ideas on this year's show are: A report by the Student Government to the Student body on upcoming activities and special events; Jeff Janders and Jack Brown with sporting news; and, taped on Mondays and Fridays, reports on clubs and activities; and a finer quality of music helped KZEN to be more pleasing to eyes and ears.

'In the Know'

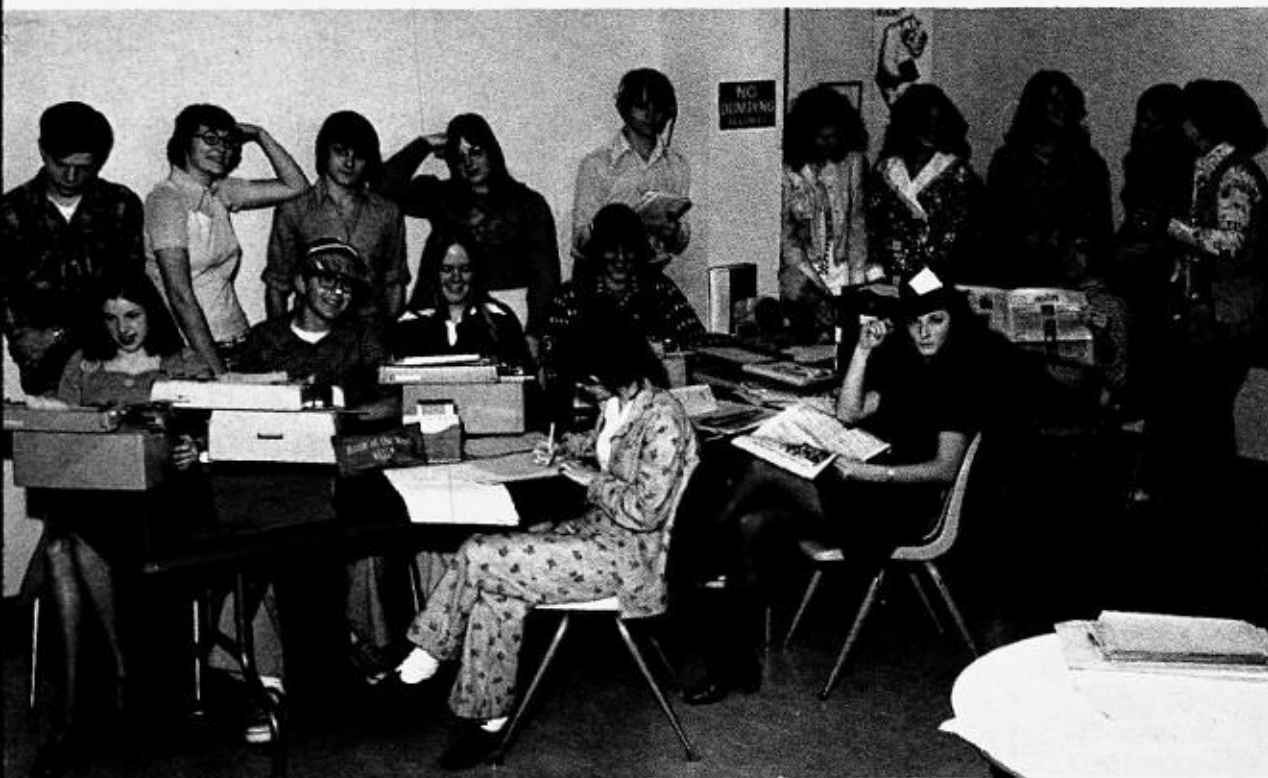

(1)

(2)

Class is held in room 101, but the staff usually works in the newsroom down the hall. For three years, Hazen had no newspaper because of levy failures. Student concern over lack of a student publication resulted in the reinstatement of a journalism program. The staff sells advertisements to help support the paper. Highlife comes out once a month. In September, a Welcome Edition informs the Freshmen about school traditions; in June, a Senior Edition winds it up for the graduates. Staff positions are filled from applications at the beginning of each semester.

Chess Club Makes Its Move

(1)

(2)

(3)

Every Thursday, the Hazen Chess Club meets to study and learn more chess and eventually organize a team again. The advisor of the club is Mr. Gage while the President is Judy Munzlinger. "This year we have a lot of interested chess players with a lot of potential but without a team we'll have to keep the interest alive by playing chess as a club and hoping that next year we'll get to have a team," comments Judy Munzlinger. Mr. Gage says, "Kids are learning logic and responsibility for their actions."

Distant Faces Brought to

Foreign Exchange Club has had a very exciting year. After saying good-bye to our Norwegian foreign exchange student Gudmund Hoel, and sending off Ken Kittleson to Australia and Bill Gosnell to Bolivia in the summer, we welcomed Luigi Borzi from Italy, and in December saw off our Brazilian exchange student Andre Maionchi. In February, Lori Berkey left for Australia. The highlight of the year for the Foreign Exchange Club was the hosting of Hazen's second annual International Fair and Foreign Exchange Weekend. The money raised will be used to help send Hazen students abroad with Mr. Saltonstall as the advisor. Foreign Exchange Club works hard, but has a lot of fun. There are many rewards in working with the foreign exchange students.

Highlanders Come Alive

The Highland Dancers is a new group this year. With Mrs. Hacker as advisor, the girls in the group have worked hard at training to develop the skill of Highland dancing, which is a very strenuous and exacting activity.

They performed in the production of Brigadoon this year, which was put on to raise money for official Scottish costumes in the Gordon Tartan. They ordered kilts from Scotland and Mrs. Hacker made their jackets.

During the year, they entered competition in local Highland Games events. They also perform at both school events and in the community. They have and will help to promote school spirit and pride in Hazen's Scottish theme. They will especially be a fantastic addition to Hazen's image at the games in the fall!

BSU Shows Their Style

The Black Student Union enabled Black students to find out more about themselves as a culture. The meetings, with Advisor Ms. Harris, are open to any interested persons. Some of B.S.U.'s activities for the year have included selling candied apples, sponsoring a Soul Breakfast, and having meetings with the Rainier Beach B.S.U. The highlight was planning and presenting activities for the 6th Annual Black History Week Celebration. This year's president was Twylla Hayden, and Mary Oliphant was Vice-President, Sherri Kimbrough was Secretary-Treasurer, and Rochelle Proctor was Assistant.

Every Thursday or Friday the Hazen Bicycle Club meets under the supervision of Mr. Magnus. The purpose of this club is to promote bicycling as a recreation and to encourage safety of bicyclists. Some of the activities that are accomplished during the school year are several overnight rides, an Annual Race to Seward Park, a bicycle competence test, bike races with other schools, an Annual Track Meet, and a bike-a-thon.

The officers include: Robb Zerr, President; Bob Core, Vice President; Scott McComas, Secretary of Treasury; Tim Davidson, Ride and Parts Coordinator; and Brad Allen, Director of Foreign Affairs and Communications. Brad Allen comments, "Bicycles are needed to keep a balance between man and the machine."

The Ushers Club is not one of the most publicized clubs around Hazen, but it is a very important club, serving an important need. The Ushers are the people you turn to if you ever get lost at a basketball game or other athletic event. They also usher at plays, musical productions, and last but not least, Graduation.

Out of the Mist Comes...

"From out of the mists." "Brigadoon," Hazen's first large musical production, was undeniably a great success. It raised approximately \$800 dollars to be used to buy uniforms for Hazen's Highland Dancers and Bagpipe Band.

The cast and crew, under the direction of Mrs. Hacker, had little more than a month to prepare for the play, and did a great job and showed tremendous talent. Much of the student body, faculty and administration became, in some way, involved in the production and ultimate success of the play.

Everyone on the staff would have to agree that the making of this year's Lonach was an experience never to be forgotten. Starting with an inexperienced staff was rough, but with a little help from those on last year's staff, everyone learned quickly. We were fortunate (?) to be blessed with a new advisor this year, namely Mr. Stover. He was a lot of help, especially the day we all went to Shakey's for lunch.

Cheerleaders Lead Us Down

For the Cheerleaders of Hazen, there is a lot of work, but work can be fun. Their tremendous spirit did much to unite the students of Hazen and bring out the spirit of enthusiasm, dedication, unity, and most of all, pride. Their work began in the summer and went on to include working out and practicing routines, leading cheers at pep assemblies and at the many sports events, and selling pep buttons to raise money. Guiding them in their efforts is their advisor, Mrs. Jorve. We also have two mascots helping the Cheerleaders this year. They are two Golden Retrievers, Dorado and Lita. Our Cheerleaders have helped to show us that Hazen is indeed a school to be proud of.

Homecoming

Homecoming 1974: Memories

Keeping with the tradition of a Chicago song, "We've Been Searching So Long" was the theme chosen for the Hazen Homecoming of 1974. On Thursday, October 10th, Rhonda Lee was presented with a bouquet of yellow roses as former principal William O'Brian crowned her Homecoming Queen. The queen and her court, Shelley Black, Sue Wolf, Jody Pritchard, and Karrie Davis, were escorted by members of boy's club dressed in tuxedos. The cheerleaders performed a routine set to the theme song in honor of the queen and her court.

Hazen Starts

Hazen vs. Lindbergh 2 - 6

Hazen's first N.P.S.L. varsity football game of the 1974 season against the Lindbergh Eagles resulted in defeat for the Highlanders. Ten Eagles dominated the first half of the game with a rare safety which brought the game to a close, final score, 6-2.

At game's end, senior Mike Riley was hospitalized with a cracked vertebrae.

Hazen vs. West Bremerton 0 - 34

A cancelled game with Stadium of Tacoma due to a teacher's strike prompted a last minute decision to play the West Bremerton Wildcats. The Highlanders, battling all the way, were not able to score against last season's fourth ranked team in state. Hazen never lost its drive and spirit with the final score of 34-0 in favor of the visitors.

The Season Slowly

Hazen vs. Mt. Rainier

6 - 9

A consistent offense and a determined defense by the Highlanders added up to a hard fought victory for the Mt. Rainier Rams.

The first quarter, Hazen's defense held tough following a single field goal of 36 yards. The Highlanders' first touchdown of the season came on a quarterback sneak with senior Dan Bezanson going over for six with 9:40 remaining in the first half of play.

The final score of the game came with just a minute left in the half when Mt. Rainier capped a 61 yard drive with a four yard pass which was complete for six, the final score, Mt. Rainier, 9, Hazen 6.

(6)

Hazen vs. Renton

0 - 34

A crippled Hazen team went up against a superior Renton High squad who turned in the second best defensive effort in the N.P.S.L. history en route to a 34-0 thumping of the Highlanders. In the second quarter Steve Kempf, starting guard, sustained a shoulder separation which sidelined him for the remainder of the contest. Tim Mills managed only 13 yards against a powerful Renton defense.

Varsity Gains Experience

Hazen vs. Auburn
28 - 19

Hazen's first road game turned into a dream come true giving the Highlanders a 28-19 victory over the Auburn Trojans. A lack of ball control early in the game by the Trojans contributed greatly to Hazen's first victory of the 1974 grid season.

On the second play, Hazen's Mike Sparks recovered a fumble and drove over the one yard line for the early lead. Sparks repeated the technique after large gains by Tim Mills coupled with an Auburn fumble. Hazen's half-

time score, 13-0, in Hazen's favor.

Tim Mills ran over 80 yards with the opening kickoff of the second half. Dan Bezanson's two point conversion was good giving Hazen a 21-0 bulge in the third quarter.

Auburn came back strong late in the third quarter, scoring twice, closing the gap to 21-13.

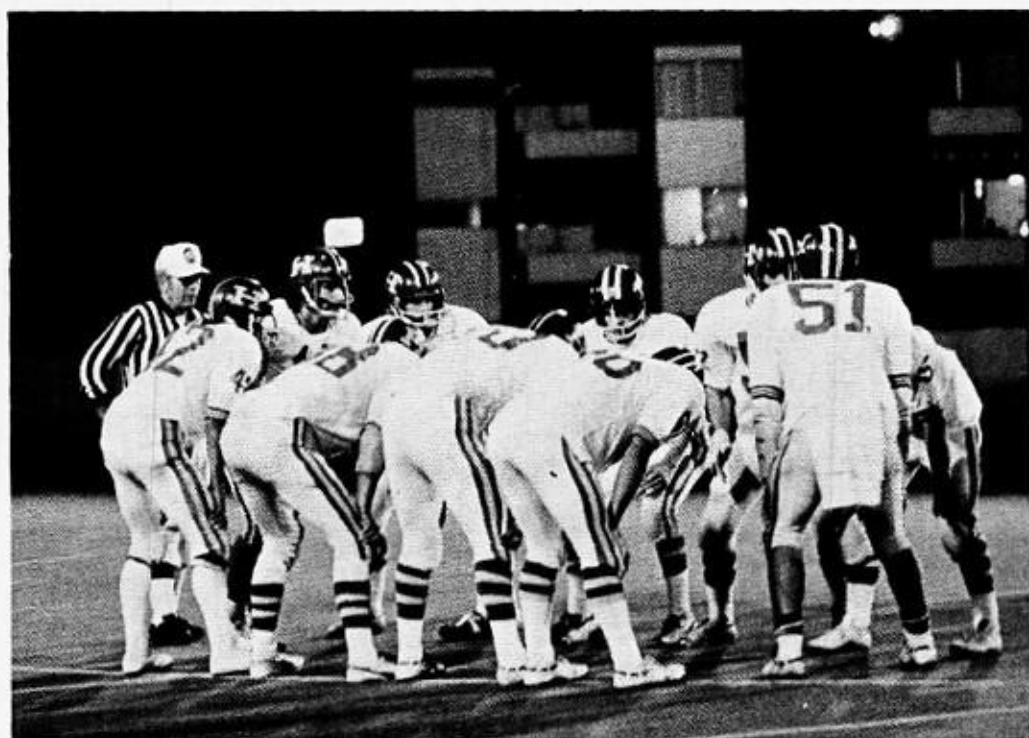

The final Hazen touchdown came on a 1 yard plunge by Doug Graham. The kick was good, the score then, 28-13. But Auburn imitated Mills' earlier kickoff return, finalizing the score, 28-19.

Hazen vs. Evergreen
8 - 19

The Hazen Highlanders played their sixth game of the season at the High-line Stadium against the Evergreen Wolverines.

The Highlander team, recovering from injuries of their previous games, played an inspiring game against Evergreen but lost 19-8.

Hazen's most successful plays were made by the inside plunges of Mike Sparks, which were continuously stopped by the Evergreen defense, within the 10 yard line. In the final seconds of the game Hazen made a spectacular play and scored with just 45 seconds left in the game.

As Season Progresses

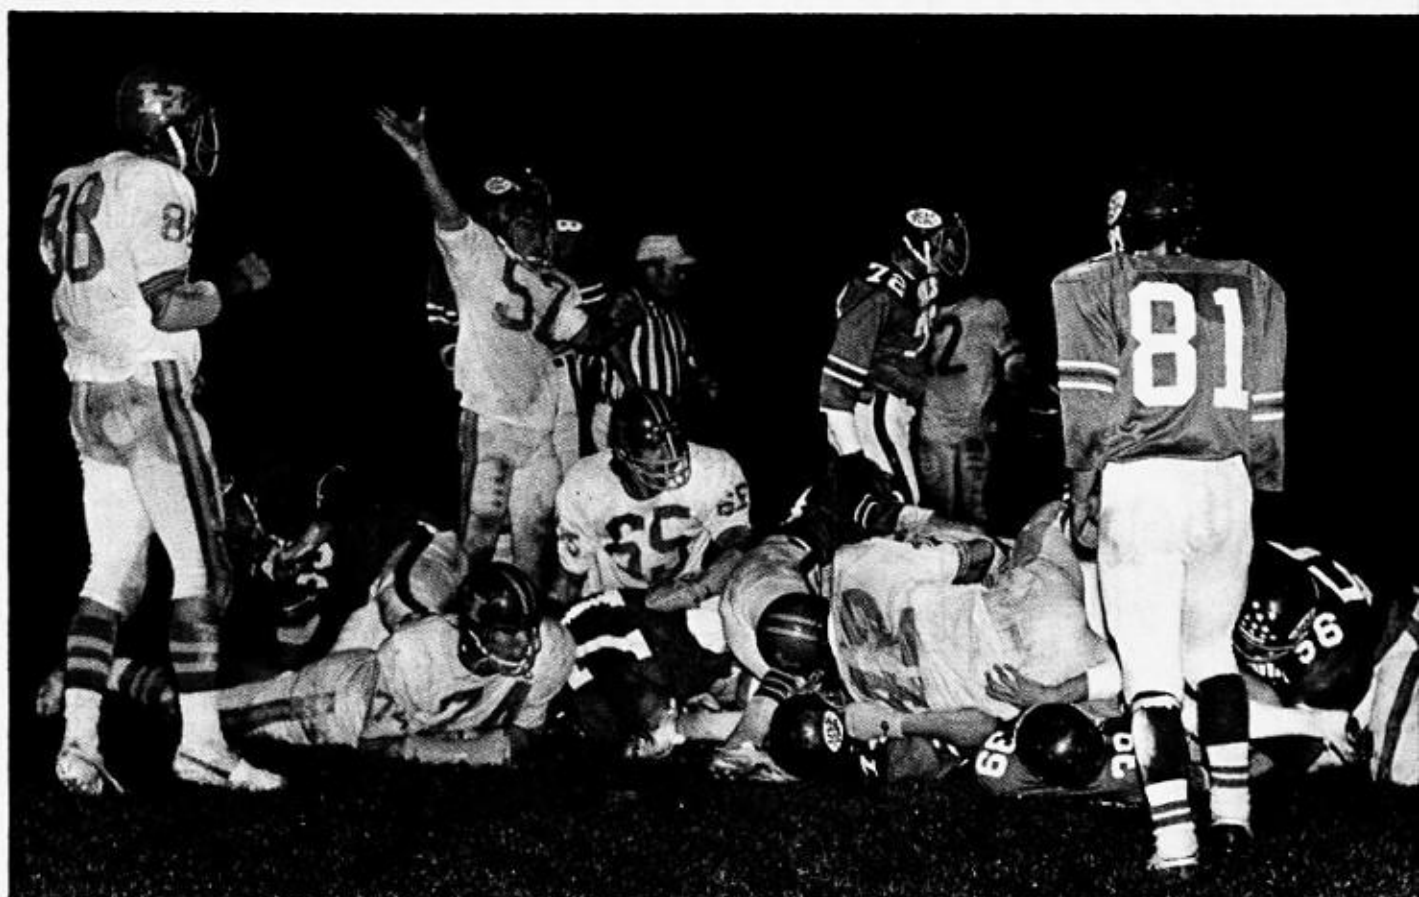

Hazen vs. Kennedy
0 - 20

Hazen lost their first homecoming game since the school started in 1969, to Kennedy this year. The Highlanders offensive mistakes were the reason for the loss to the Lancers. Despite offensive plays, Coach Anderson felt the Hazen defense did a good job throughout the game.

Hazen vs. Kent-Meridian
32 - 13

A highly improved Hazen football team went against the Kent-Meridian Royals. The Highlanders played a near perfect game resulting in a win over Kent 32-13. It was a boosting victory for the Highlanders which sent them into a league tie with K-M. Some good plays were made by Mike Sparks, Mike Nipert, Dan Bezanson, and Jeff Schweiger.

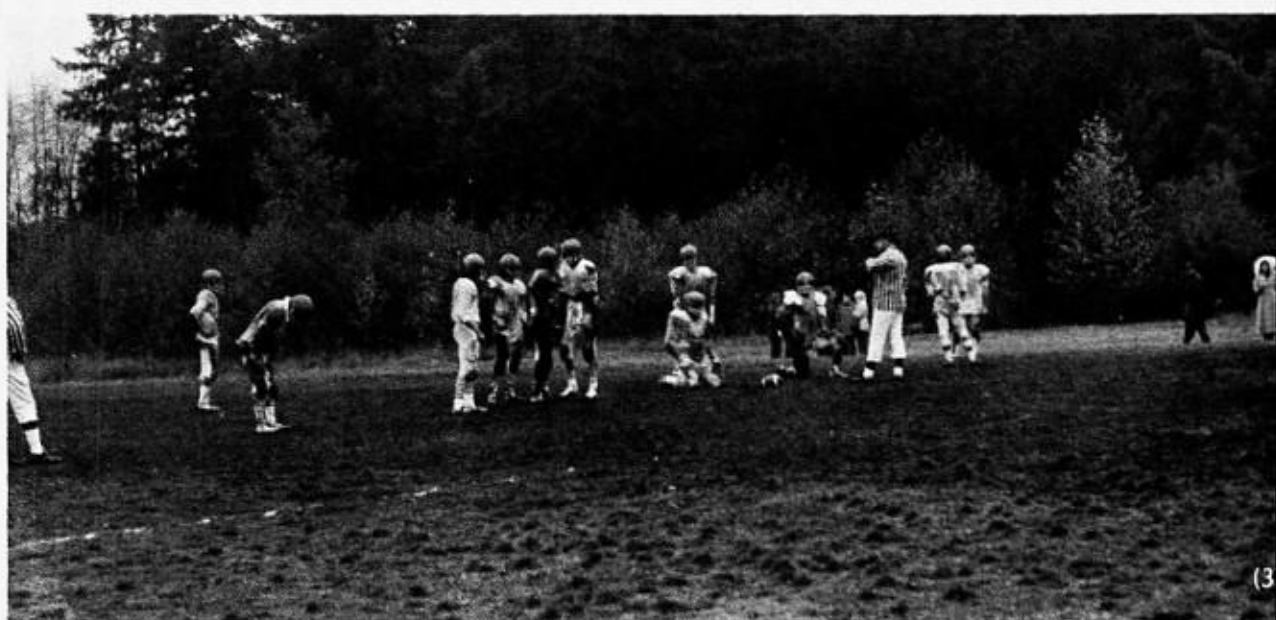

Hazen vs. Glacier
3 - 0

The Highlanders defeated the Glacier Grizzlies on a Halloween night that was full of surprises. In the last game of the season Hazen came out being the victor, defeating Glacier 3-0. The score remained tied 0-0 until the first overtime when Dan Bezanson kicked a 22 yard field goal.

The Junior Varsity football team had a good session this year. They had a slow start but confidence in themselves and experience gained with each game played brought forth their full potential. The highlight of the season was playing K-M for the Olympic division championship. They excelled in defense. Coach Kurle stated that there should be several outstanding players who will help the Varsity next year.

(1) The Highlander '74 team LEFT-TO-RIGHT BOTTOM ROW: Reed Mosier, John Janders, Graig Swanke, Mark Prellwitz, Mark Bruren, Harl Spath, Mike Henry, Frank Young. A Good Year for J.V.

Sophomores Put Forth Big Effort

After many long practices, Hazen's sophomore team came out with a 3 win, 4 loss season record. One of the highlights of the season was their win over Renton, 18-0.

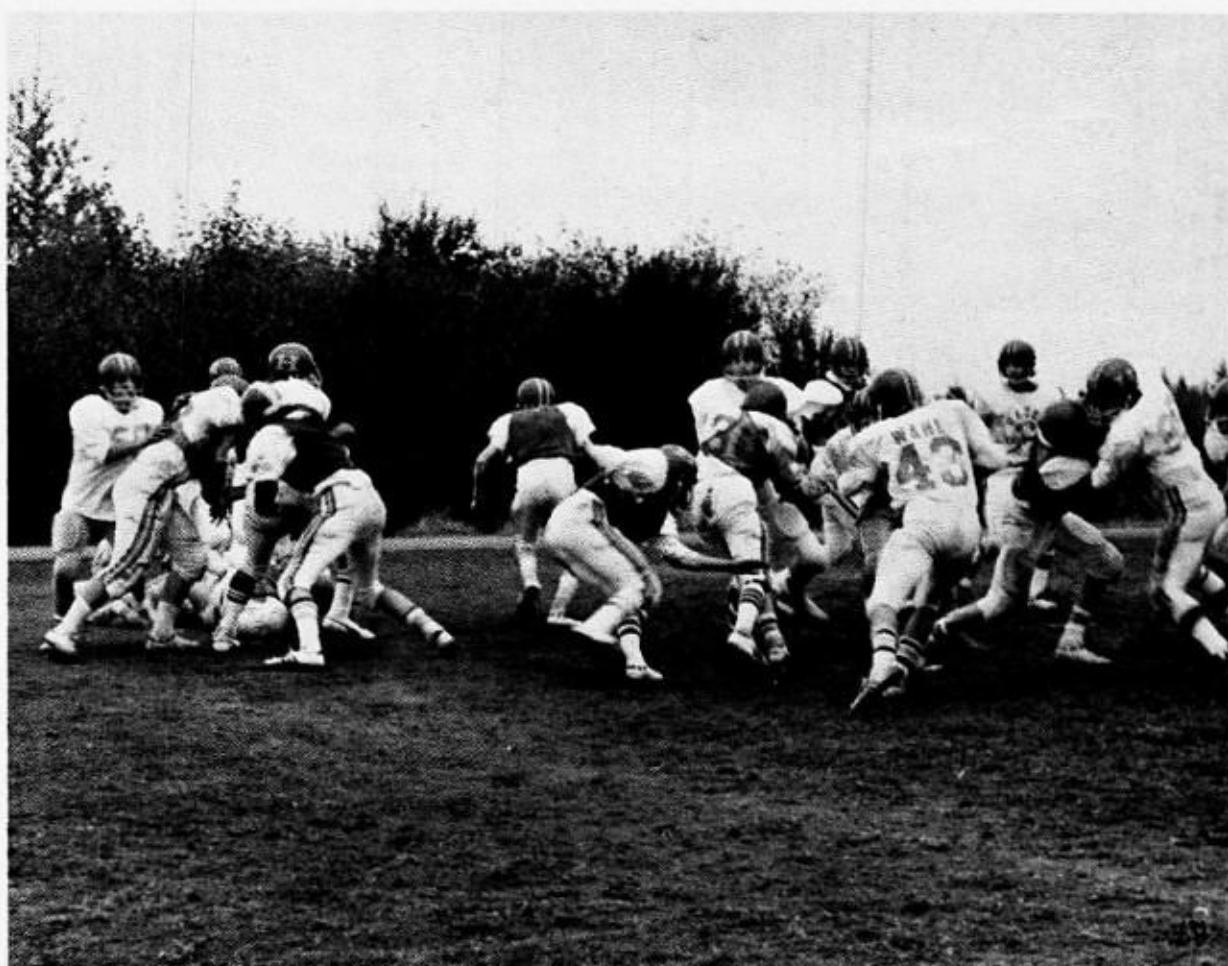

Other games that were won were Auburn and Evergreen. The team, coached by Mr. Dillard and Mr. Henderson, showed much improvement throughout the season and promises a lot of input for next year's varsity squad.

Disappointment for Frosh Team

The Freshmen team of 1974 went through a depressing year. They outplayed most of their opponents, but could not score from inside the 20. Only once did they score all season. Coach Eiede said he had a fine team, and after a little more experience the team should be an excellent varsity team in a few more years.

John Rohde Undeclared in N.P.S.L.

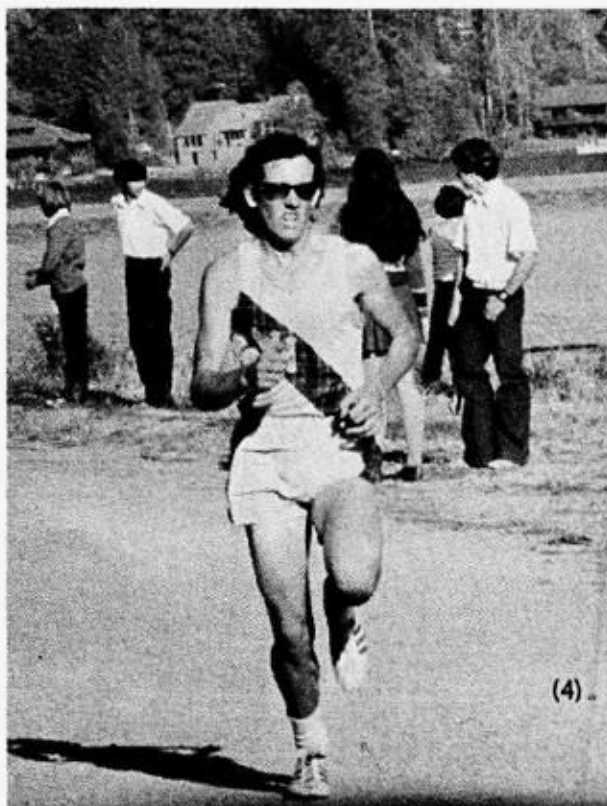

The Hazen Cross Country team had a successful season with a 9 win 2 loss record for Varsity and a 10 win 1 loss record for Junior Varsity.

The meet against Mt. Raineer was a turn around meet for the team as far as us being a winning team. Even though we lost, we only lost by 3 points to one of the toughest League teams. After this meet we had the winning spirit. The meet against Tye was an important meet as far as the N.P.S.L. League standings were concerned. This win by one point put us in second in the N.P.S.L. League standings.

John Rohde was undefeated in all of the individual meets as well as in the League meet.

John Rohde was this years team captain, John Vandermay received the Most Inspirational Award and Dennis Graves received the Most Improved Award.

Next years team looks very promising with 9 returning lettermen.

Golf Season 1974

Building for Another Year

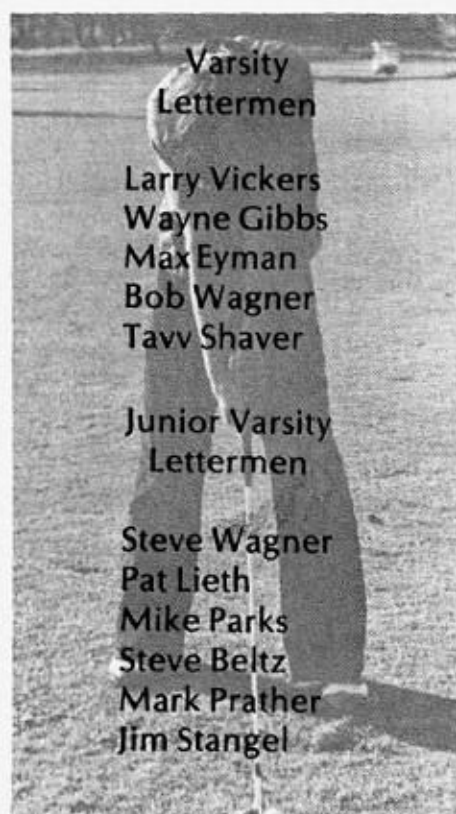

The Highlander Golf Team of 1974, consisting mostly of juniors and two freshmen, went through a tough year, winning only one of eleven matches.

Wayne Gibbs and Max Eyman earned the right to represent Hazen in the medalists tournament where all 12 N.P.S.L. schools sent two players.

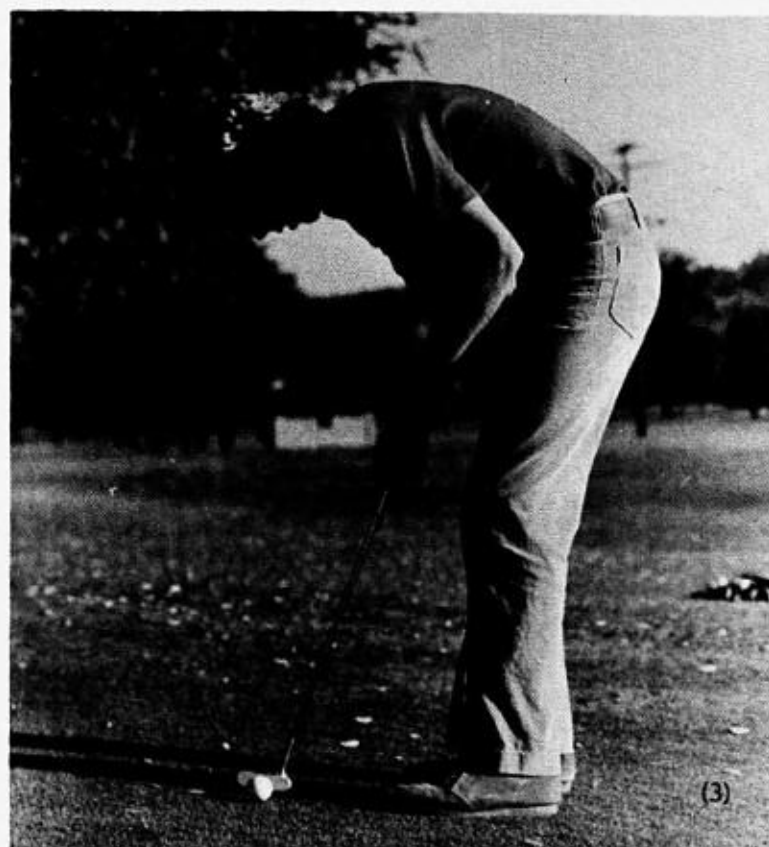

Larry Vickers, number one in statistics, put in an outstanding season.

Next year all five of the letterman will be back. The team, along with Coach Huckle should be a contender next year.

Water Polo: A

After losing 6 players and their goalie, this year's hopes for a good water polo team were small. But as the season went on, things changed and the team's record even improved over last year's.

The team had great depth, gained from the sophomores and freshmen classes, and with the loss of only one Senior, Hazen can look forward to a very successful season next year.

Girls Take Second in N.P.S.L.

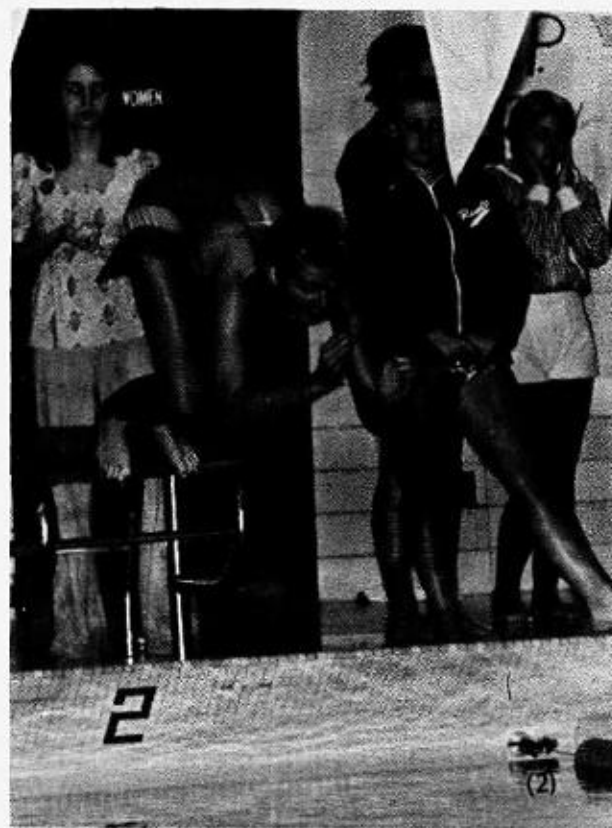

The Hazen girls swimming and diving team had a very successful season this year. They tied for second place in their division and ended the season with 5 wins and 3 losses. The team placed 2nd in the N.P.S.L. relays and 3rd in the N.P.S.L. district meet.

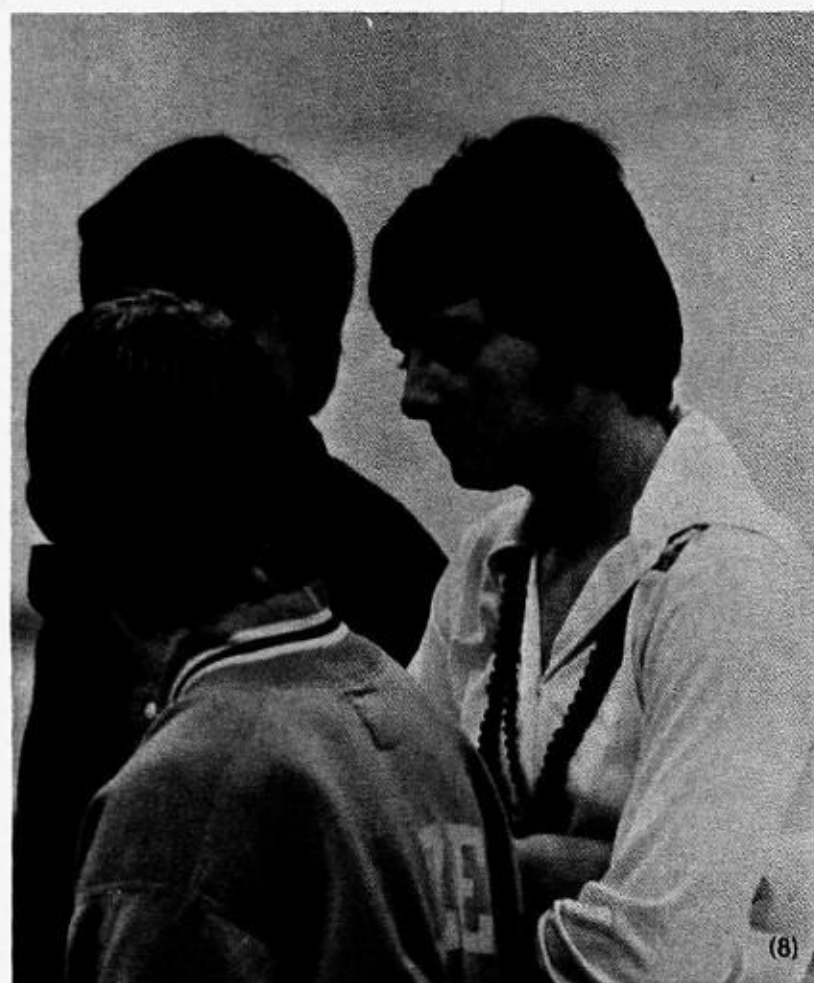

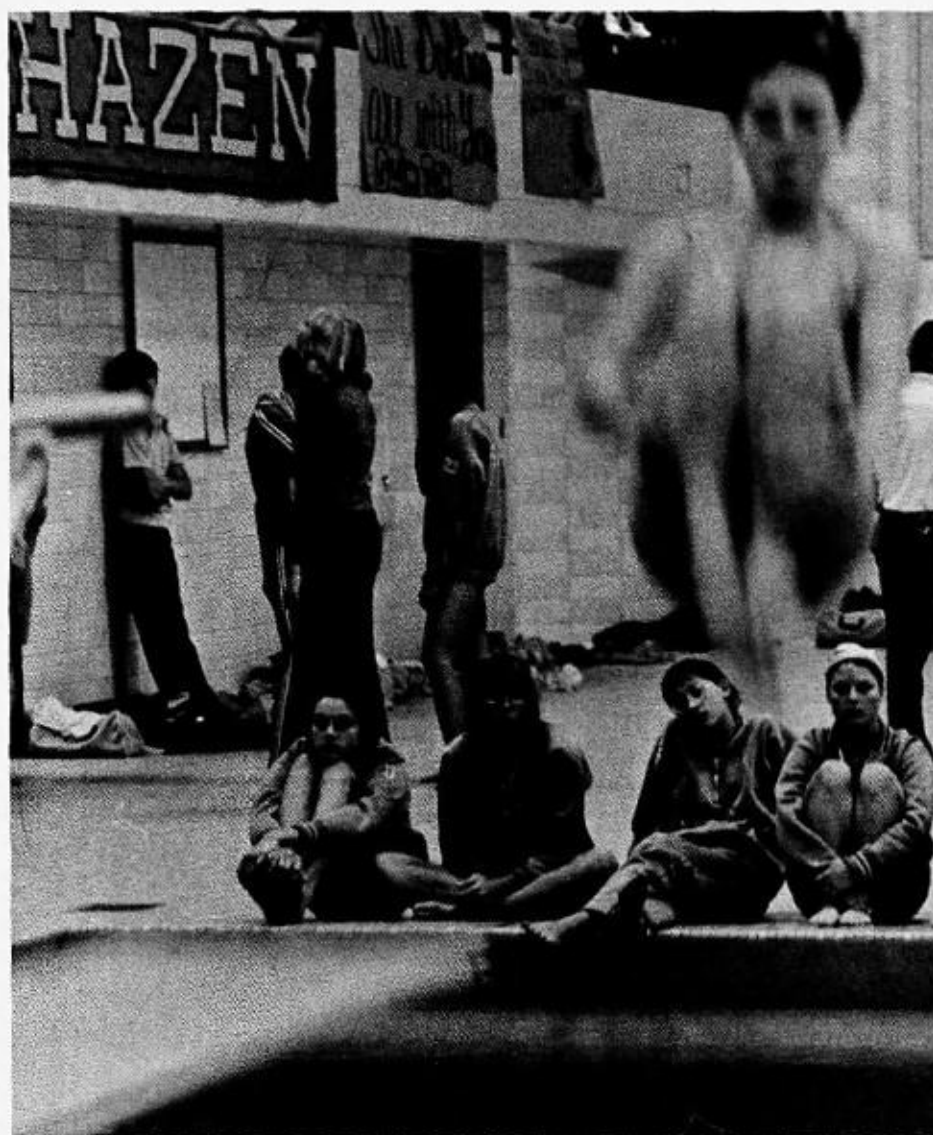

Fine showings were done by all the team. Nine girls qualified for the State meet this year. Nadia Johnson in diving, Barb Snyder in the 100 yd. breaststroke and the 200 yd. individual medley, Pam Muncey in the 50 yd. freestyle, Tammy Thomas in the 100 yd. breaststroke, Karen Snyder in the 100 yd. butterfly, and the 200 medley relay team consisting of Sharon Underbrink, Tammy Thomas, Karen Snyder and Pam Muncey. Qualifying also was the 400 free relay team consisting of Sue Spendiff, Jo Ellen Geissler, Ester Ladwig and Sharon Underbrink.

Coach Lorraine Reese was a Proud Coach at the end of the 1974 girls swimming season.

Varsity letter winners were Karen Snyder, Nadia Johnson, Pam Muncey, Janet Politte, Tammy Thomas, Sharon Underbrink, Sue Spendiff, Barb Snyder, Ester Ladwig, and Jo Ellen Geissler.

Hazen Gymnasts Are

Following in the footsteps of last year's gymnastics team, this year's gymnasts led the league with an outstanding season. They won nine out of ten meets, many of them close and exciting. Good performances by many of the gymnasts made up for a lack of depth. The team contained only ten members. Exceptional performances were turned in by Lisa Wells, a sophomore and Trish Nightingale a freshman. Lisa won Best-All-Around gymnast at many of the meets.

Since many of the team members are underclassmen and will have time to work on their individual performances, they should stay on top for the next few years.

Girl's Volleyball...

This was the third year for competitive girls volleyball at Hazen. The team, coached by Ms. Leigh, went through many weeks of practice learning and renewing the skills necessary to play.

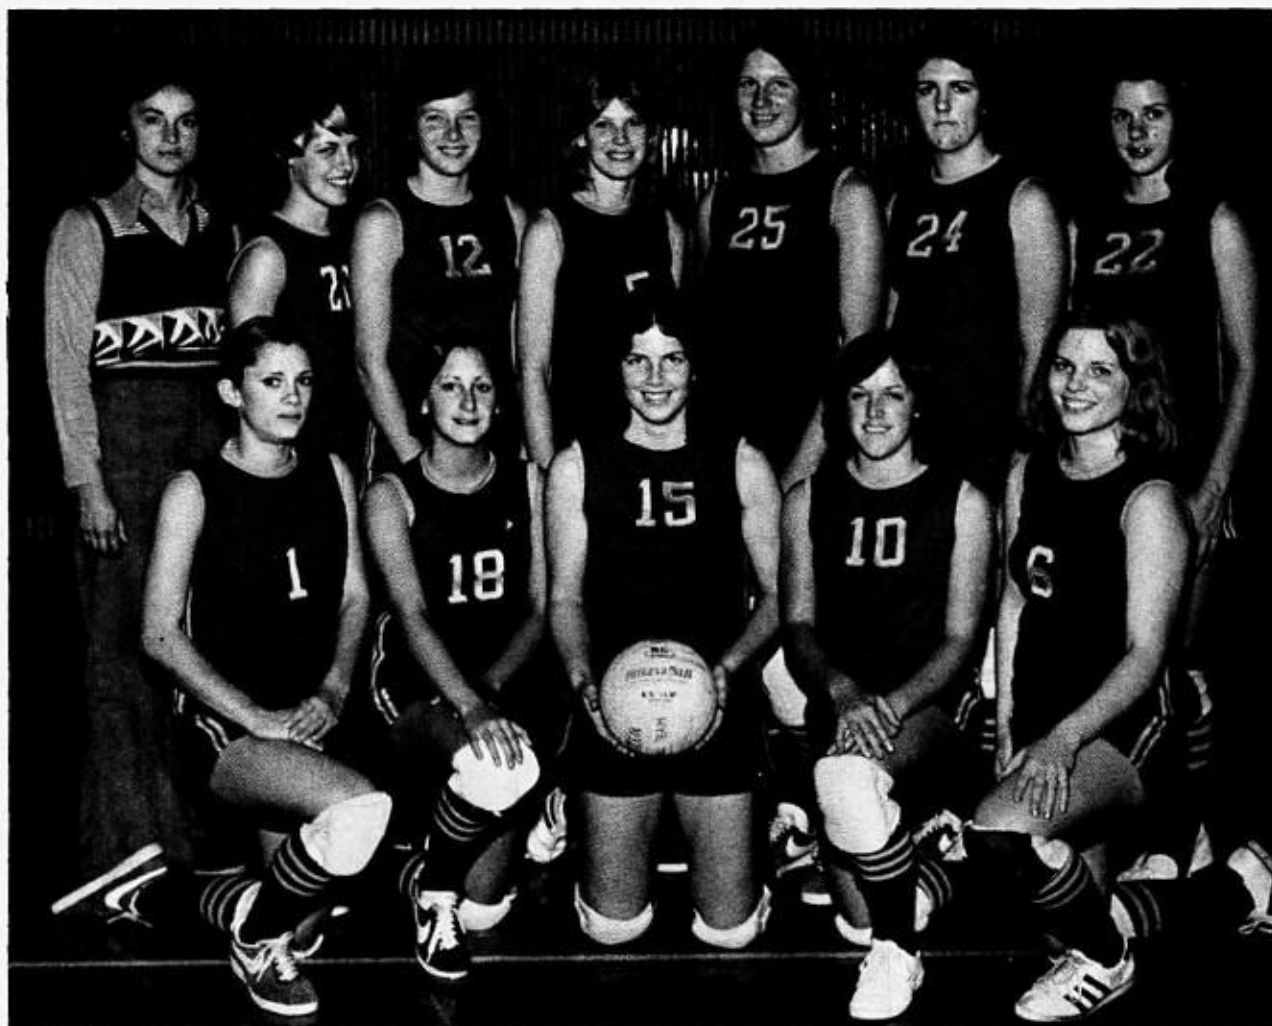

The major injuries this year were those of Shelly Black and Laurie Onstot. Shelly broke her foot during pre-season training and was out for the rest of the season. Laurie's first injury occurred in mid-season when she fell and damaged the cartilage in her knee. She returned shortly and broke her wrist during the last match with Auburn.

Hazen's girls volleyball placed last in league standings this year with many close matches. The girls, many of them returning next year, are enthusiastic players and should do well next year.

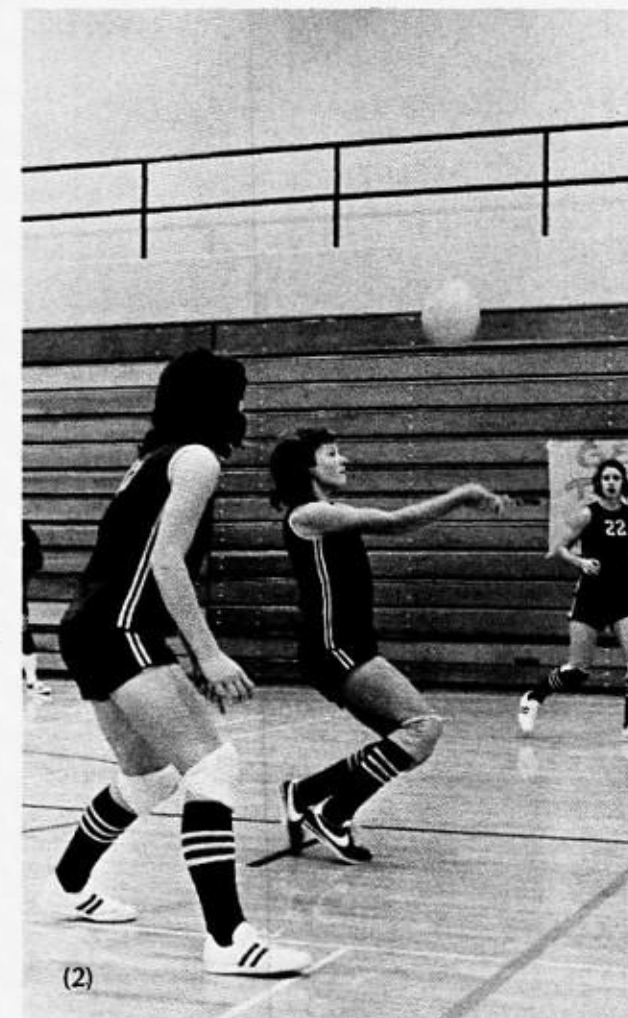

Members of this year's Varsity team included: Val Chatham, Mary Dunlap, Mary Glenn, Annette Gray, Kate Green, Linda Melrose, Laurie Onstot, Penny Rauenhorst, Tami Richards, Carla Seely, and Betsy Wolf.

Members of this year's junior varsity were: Jill Barrows, Kathy Bowe, Debbie Bowe, Yvonne Cary, LaVonn Knudson, Pam Lane, Keri Livengood, Val Munzlinger, Diane Pelletier, Melody Podratz, Diane Robinson, Lisa Snider, and Karen Tilton.

Managers were Leona Hatcher, Sharon Watson, and Margret Kuhlman.

Hazen Wrestlers Show

Hazen's varsity wrestling team compiled only two wins and a lot of hard work. The season was plagued by injuries and wrestlers who had to quit. There was, however, some individual records broken. Mike Salo broke the record for most wins ever scored by a Hazen wrestler, and most wins at 129. Kevin Ludowese and Barry Hatch each had a 7-6-1 record. There are underclassmen on the team, Bart Griffith, Dean Larsen, Steve Jennings, and Chuck Lumbart, so Coach Ernst will have young talent to work with next year. Captain of the team was Kevin Daly.

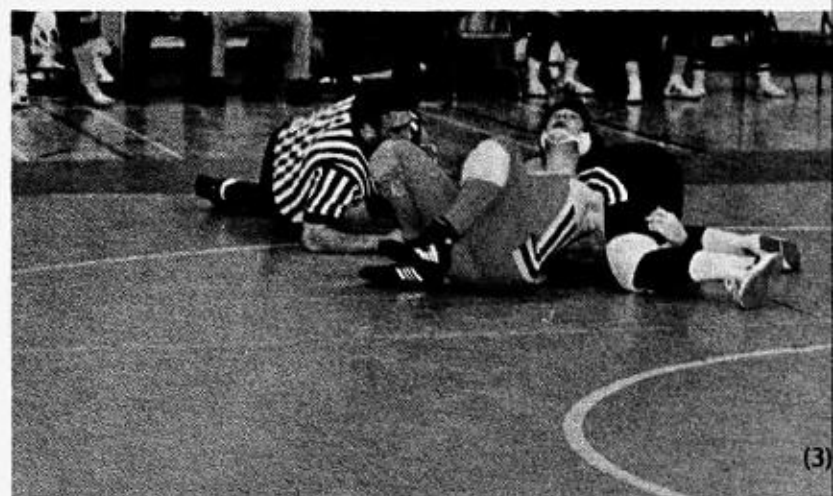

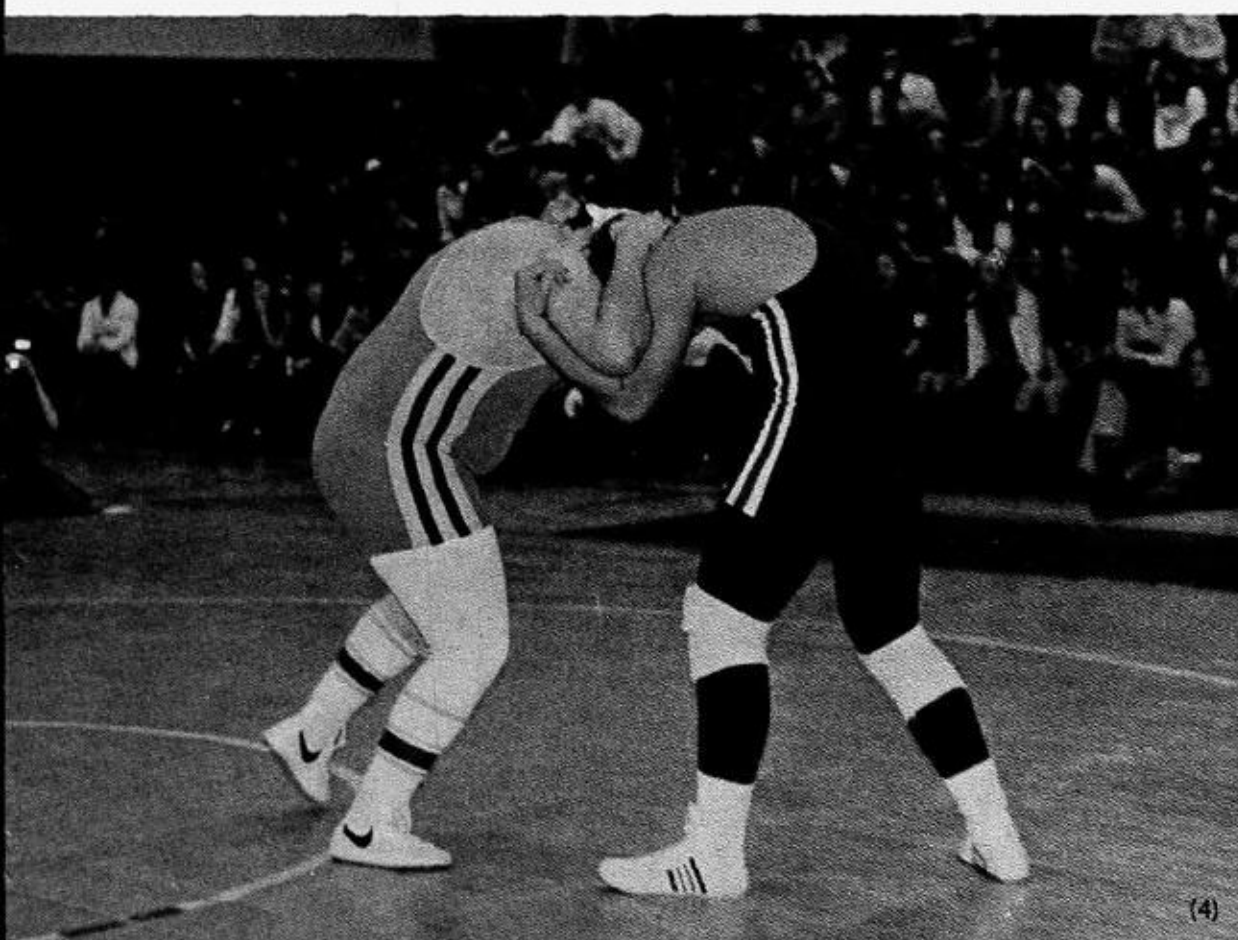

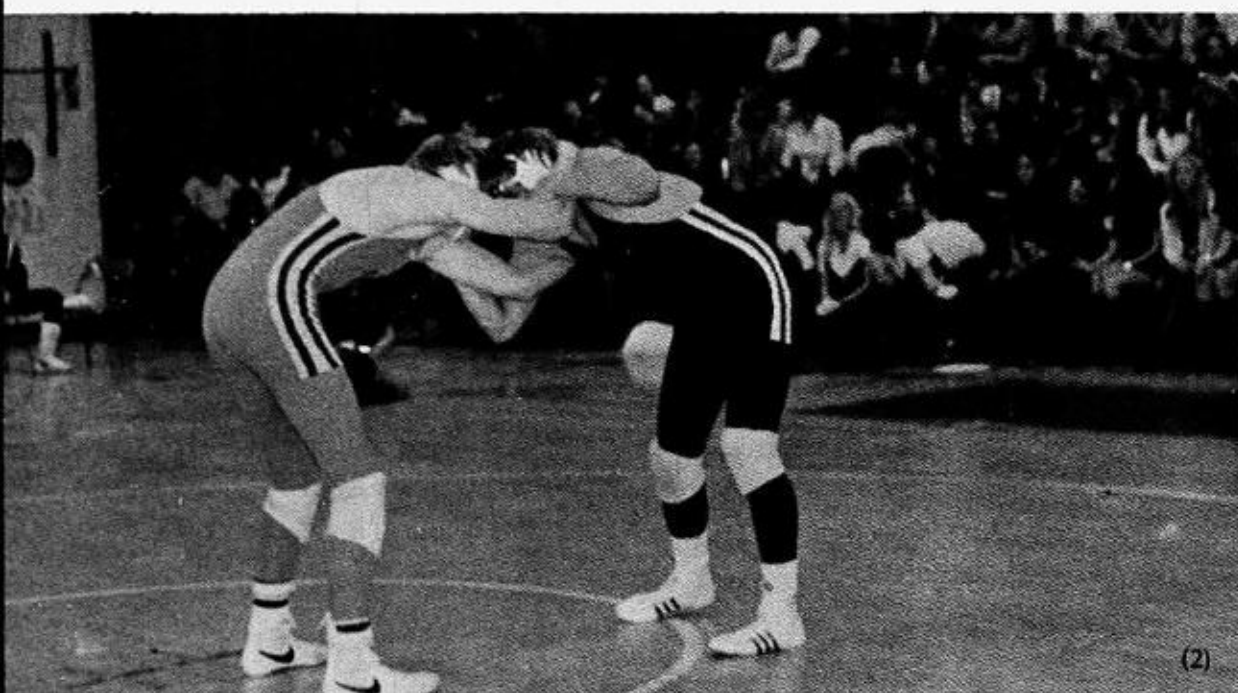

Spirit and Determination

Hazen's wrestling team has their own group of cheerleaders, called the wreslerettes. Lead by Mrs. Kempf, these girls led cheers and brought little "goodies" to their wrestlers. Wreslerettes has provided an activity for girls who otherwise may not have gotten involved in any activity at Hazen supporting sports.

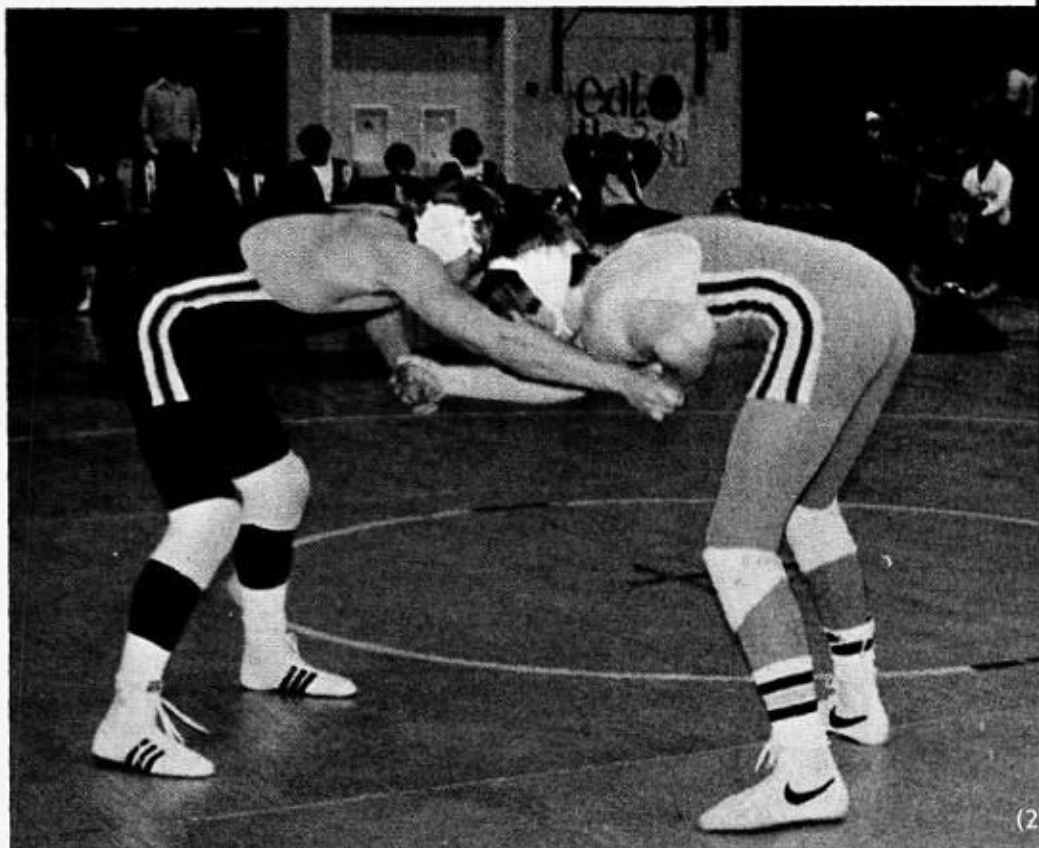

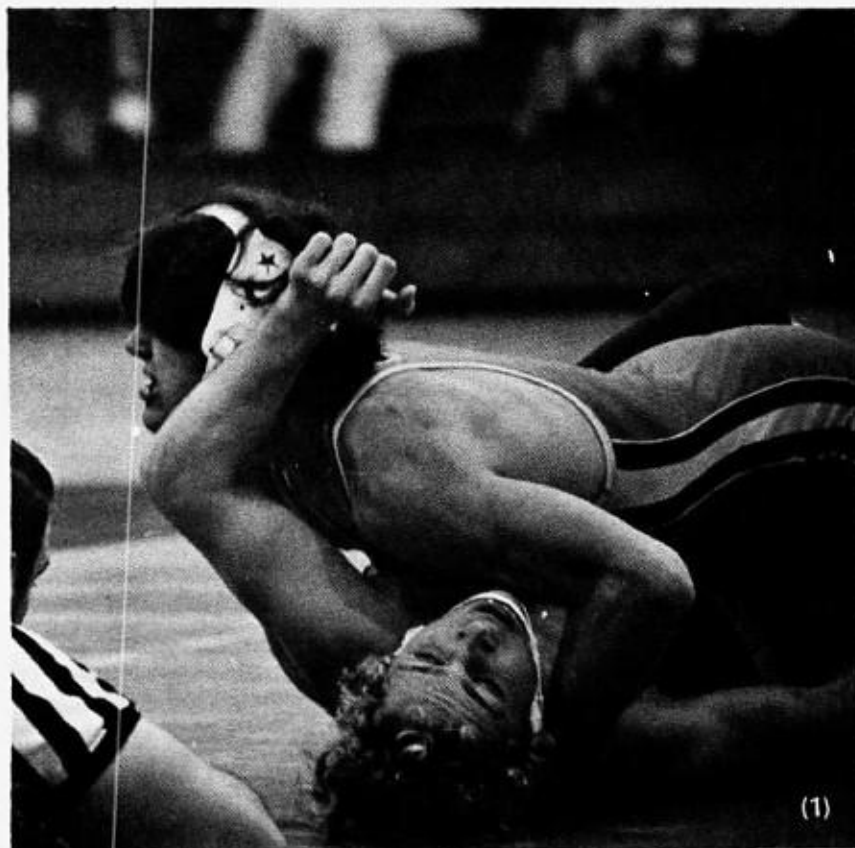

The president is Martine Hewitt, Vice president Marideth Hiatt, Secretary Viv Schreven, Treasurer Debbie Scott.

The club has been in existence for two years, and they had a successful button sale to decorate their jerseys, and they also had a successful bake sale.

Varsity Looking Ahead for Next Year

Although many matches were lost, there were some close matches, and one highlight of the season was a big 72-6 victory over Franklin. The attendance for the home matches was good, as this sport was a good source of entertainment for those interested.

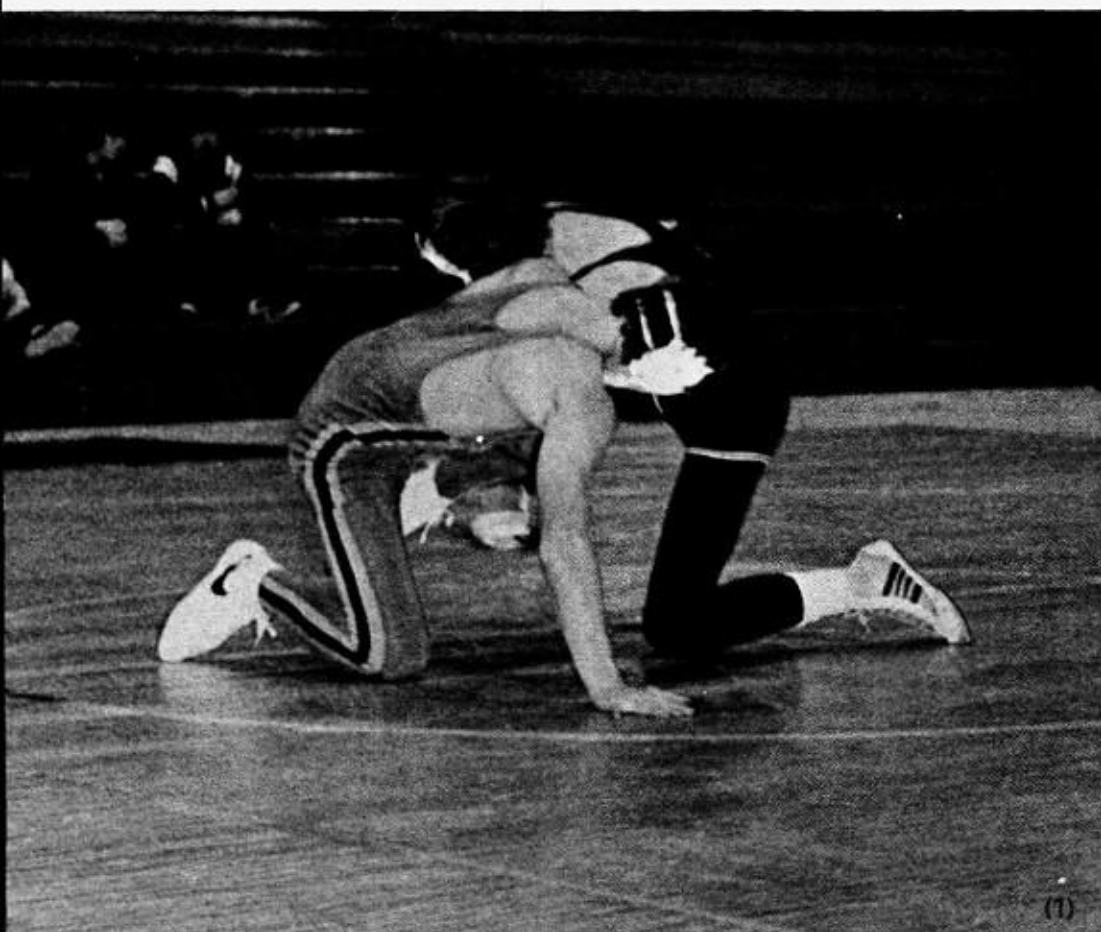

Four J.V.'s Finish Season

The 1974-75 JV team was not competitive in the league because they only had 4 wrestlers and most matches were forfeits, the members are Matt Ernest, Steve Jefferies, Mark Prellwitz, and Curt Armstrong.

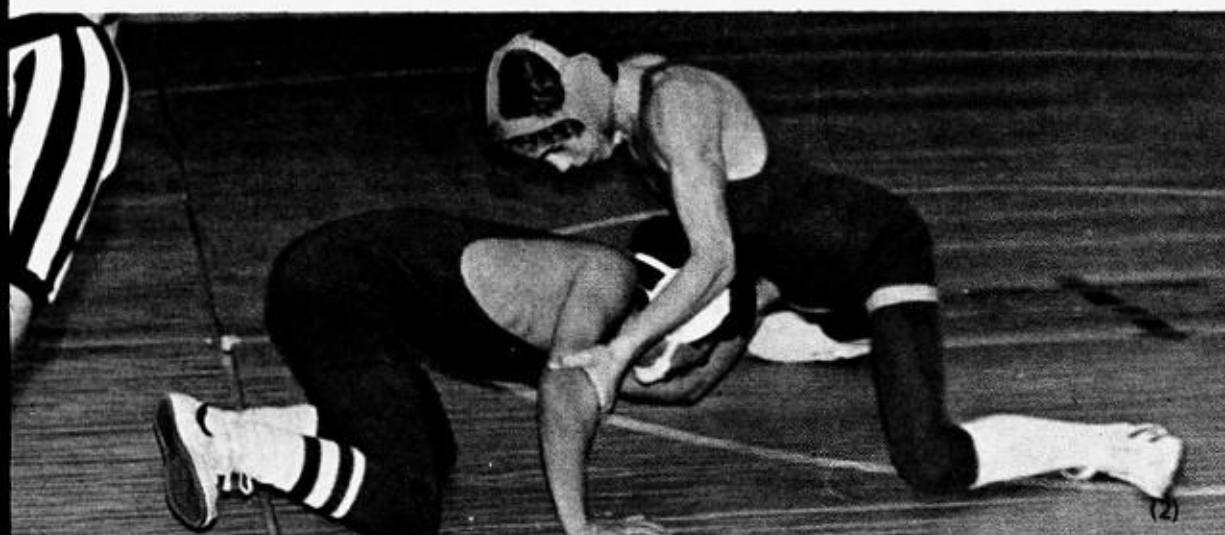

They were coached by Mr. Dillard. We had only 4 people to wrestle, most teams have all 13 wrestlers. Matt Ernest and Curt Armstrong are sophmores and have two good years ahead of them.

But in the years to come bowling should become a valuable part of our school. Members of the boy's team include: Scott Guggenmos, Wally Vaughn, Tom Weber, Captain Dave Vaughn, Dave Schwendeman, and Stan Boggs.

This year's basketball team brought home three wins for Hazen. There were many close games throughout, and with the much improvement that was made, our Hazen spirit stuck with them to the end. There were many fine performances by our team, including the "grand finale" by Coach Huckle after our win over Kennedy (rumor has it, he jumped up and cheered!)

The Road to Victory Is a Difficult

HAZEN 43-Snohomish 50

Our Varsity Basketball team's first basketball game was against Snohomish, in which we lost 50 to 43. Our big front line was outrebounded and failed to score from the inside.

Snohomish really didn't play that good of a game, it was just a matter of us playing worse. Coach Huckle commented that he hoped we would play better next time because we would encounter better teams.

HAZEN 41-Jefferson 67

Our next game was also Non-League, and it was against Jefferson. We also played Jefferson in the Jam-boree and lost by only a few points. This time Jefferson got hot and beat us, 67 to 41. We ended up with a poor shooting percentage and a couple of bad breaks. Turnovers are also taking their toll.

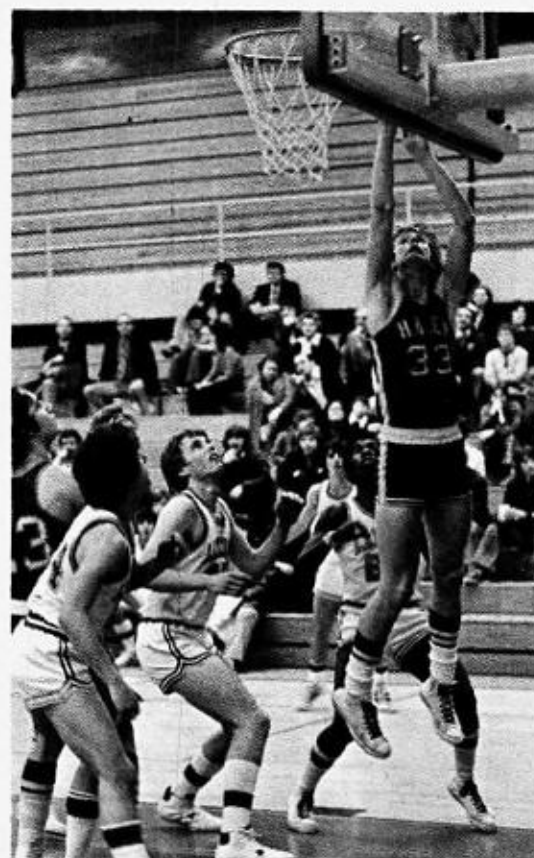

HAZEN 43-Lincoln 58

Our next non-league game was against Lincoln of Tacoma. Coach Huckle now started experimenting with new players to find the five that best play together. Lincoln's good offense resulted in the Highlanders losing their third straight, 58 to 43. The Highlanders are still lacking scoring from the inside.

HAZEN 43-Kentridge 66

Our first league game was at home against Kentridge. Kentridges good play plus keying on Frank Rutt, turned us down 66 to 43. Coach Huckle is still trying to find the players that can put it all together.

Also, Coach Huckle said to beat these teams they got to put more points on the board.

One for Our Varsity Team

HAZEN 45-KM 63

The next Varsity Basketball game came against the league leading Kent Meridian Royals.

Our players desperately trying to pull off a victory wound up stumbling to the Royals, 63 to 45. Our gym was full, everybody remembering last year's upset. Still, our big front line could not muster enough points. The turnovers took their toll, and Rutt's scoring was not to be matched by a well balanced scoring attack by the Royals.

HAZEN 36-Tyee 43

The next game was against a tough Tyee team. Still, we didn't have the right players in the lineup. Our scoring wasn't good, which was reflected in the outcome in which we lost 43 to 36. The team went in at half leading but Tyee came back to win. Again, you can't win with only 36 points on the board.

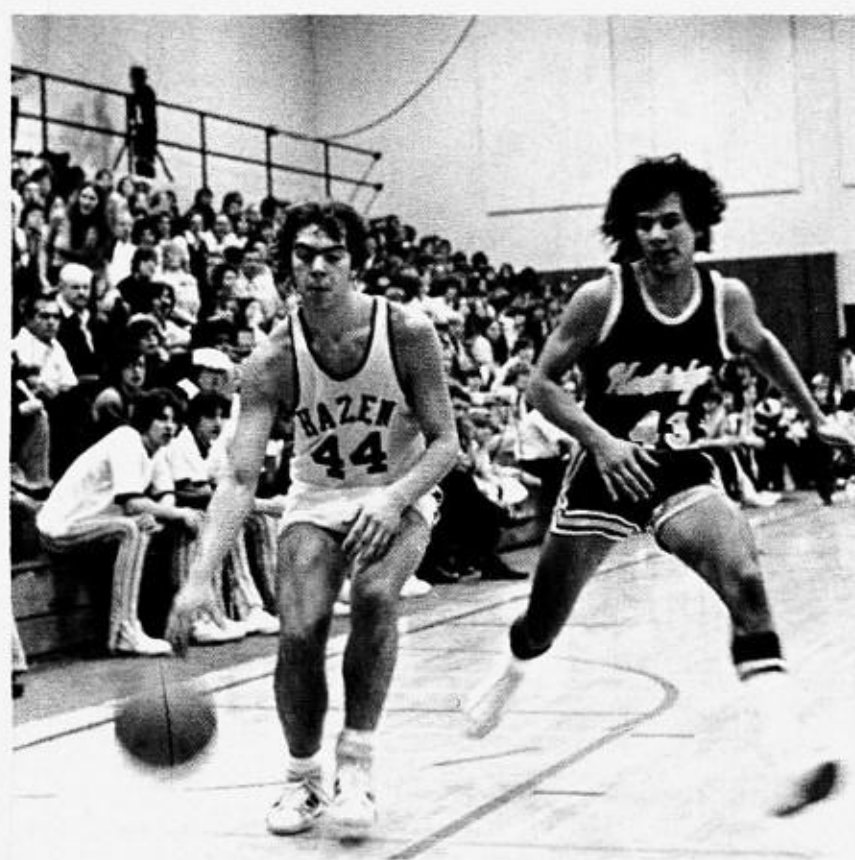

HAZEN 61-Lindbergh 50

Our next game was against the Lindbergh Eagles, in which we came out laughing after pounding the cross town rivals, 61 to 50. A well balanced scoring attack proved to be the road to victory. One thing that helped the win was Lindbergh's poor play which was a tribute to the team's defense.

Mr. Huckle said he hoped the teams play would be there when they travel to Auburn.

HAZEN 34-Auburn 61

The play didn't hold up as Auburn beat us 61 to 34. The same old troubles were back as we only got scoring from Rutt. The defense couldn't get going, and we had rebounding problems.

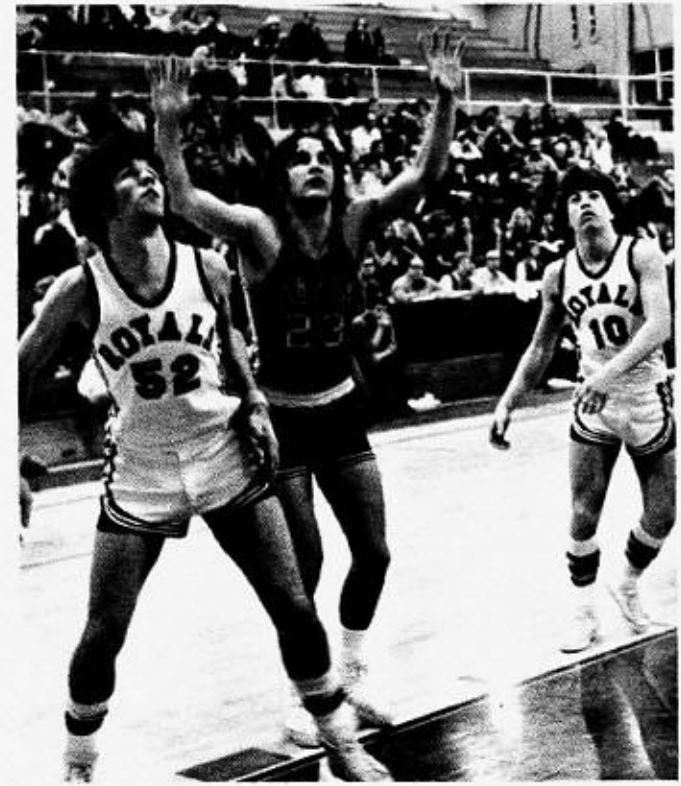

Highlanders Have Trouble in

HAZEN 39-Glacier 41

The next game our Varsity Team was to play was at home against Glacier. This was a heartbreaking loss because of the great effort our team had.

The Grizzlies won a tight one, 41 to 39. We started a comeback in the fourth quarter that just came short. The last few seconds the ball just wouldn't fall. Rebounding hurt again. Coach Huckle picked out the point that the offense was not consistent.

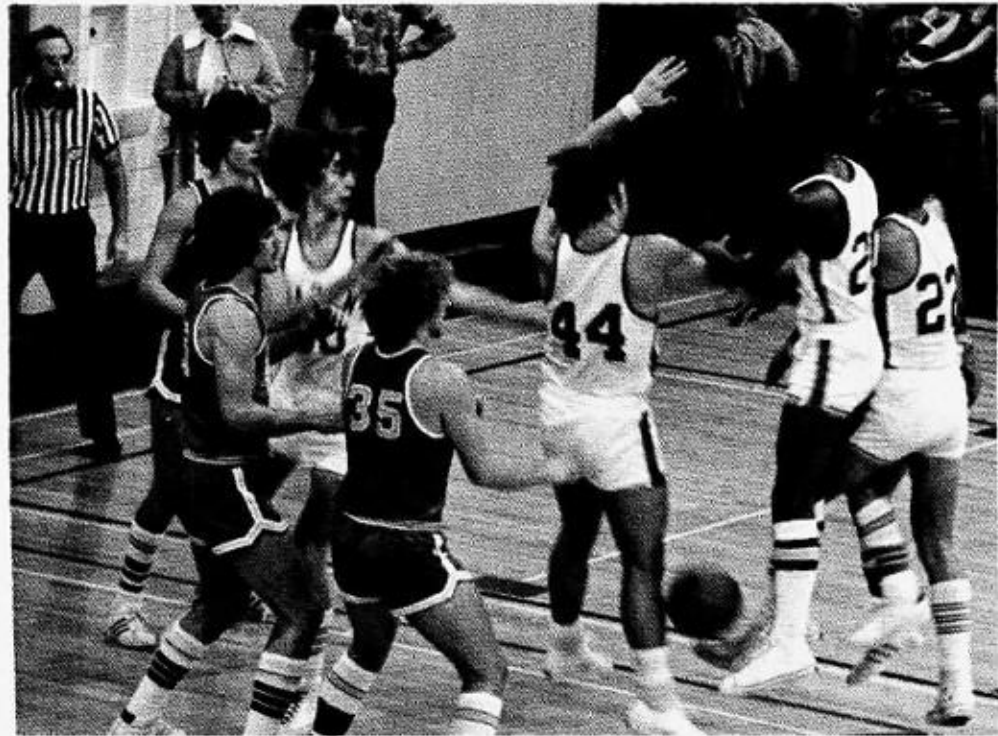

HAZEN 40-Evergreen 47

Our next game was a home game against the Evergreen Wolverines. Again, the Highlanders put only 40 points on the board, against the 47 the Wolverines had. Coach Huckle commented about how he wants to change the offensive unit.

HAZEN 39-Lindbergh 50

The next game was at Lindbergh, in which the Eagles beat us 50-39. We did not have any kind of offense and not much could be said for our defense either. Mr. Huckle said he thought the changes were confusing the players. Leon Glover and Griff Proctor started but still scoring came mostly from Frank Rutt, now rotating at guard and forward.

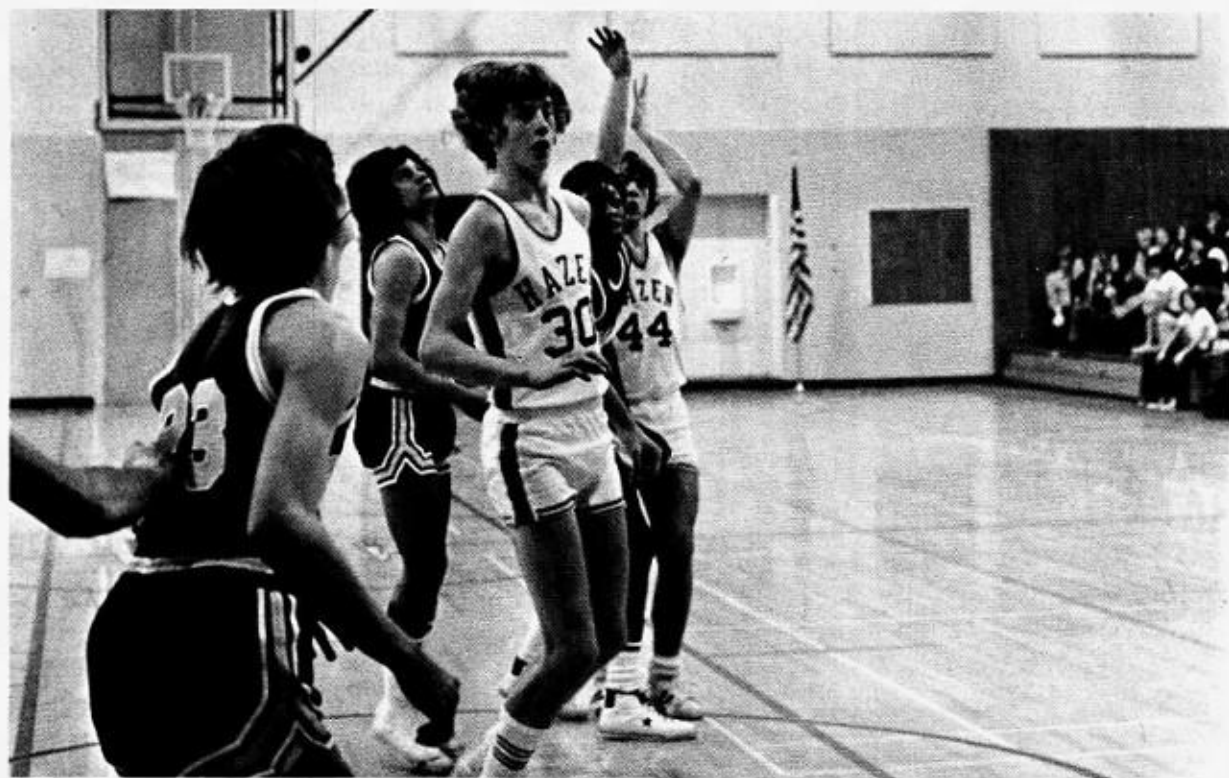

HAZEN 60-Mt. Rainier 73

Our next game was at home with Mt. Rainier. Still only one scorer and lacking in rebounds, the Highlanders again fell, 73 to 60. This time a lot of points were on the board, but our opponents were able to get more.

Our shooting percentage was better, now our defense has to toughen up.

Fourth Quarters of Games

HAZEN 43-Kennedy 61

The next game our varsity played in Coach Huckle's eyes was the worst game our team has played all year. We went to play at Kennedy and lost 61 to 43. He also said he is going to have to work extra hard on changing the offense.

Kennedy led almost all the way to defeat the Highlanders.

Bad luck plagued the whole way for us, as we were out-rebounded and outshot. Inside scoring was weak again. Also, there were a lot of turnovers.

HAZEN 47-Highline 51

Our next game was a loss that really hurt, when the team played Highline at home. The game was close all the way and eventually went into overtime, and the Pirates won 51 to 47.

Jeff Schweiger's last second shot at regulation failed to go in.

HAZEN 48-Renton 49

This was the game that took the cake, as Coach Huckle felt like a winner all but the last 3 seconds when Duane Warns tossed in a 20 footer to boost Renton to victory 49-48 over our team which lost it's fifth close game. Our team was up by as much as 13 points before the Renton rally.

HAZEN 52-KM 76

The next game was at Kent against the Royals in which we lost 76-52. The wide margin of defeat was due to a bad second half which found our team stumbling under a tough Royal defense. Our team didn't play too bad if you saw the tough offense and defense the Royals had.

Highlanders Finish Strong in the End With 2 Wins

HAZEN 44-Auburn 50

The next game we played was at home with Auburn. The team hung in there all the way but their effort wasn't enough to upset the 3rd ranked team in the state. Coach Huckle seemed to have the right combination in with Wagner, Scott, Rutt, Bean, and Celigoy.

HAZEN 62-Kennedy 52

The next game was the second win for the Highlanders. They beat the Kennedy Lancers 62 to 52. The hero of the game was Steve Lindsey, playing mostly with the sophomores. He had 19 points with some clutch foul shooting at the end when Kennedy was making a run at the Highlanders, and coming within two at one point. Lindsey was also hot from the field, coming up with some good defensive plays and a couple of steals. Frank Rutt was high for the Highlanders with 20.

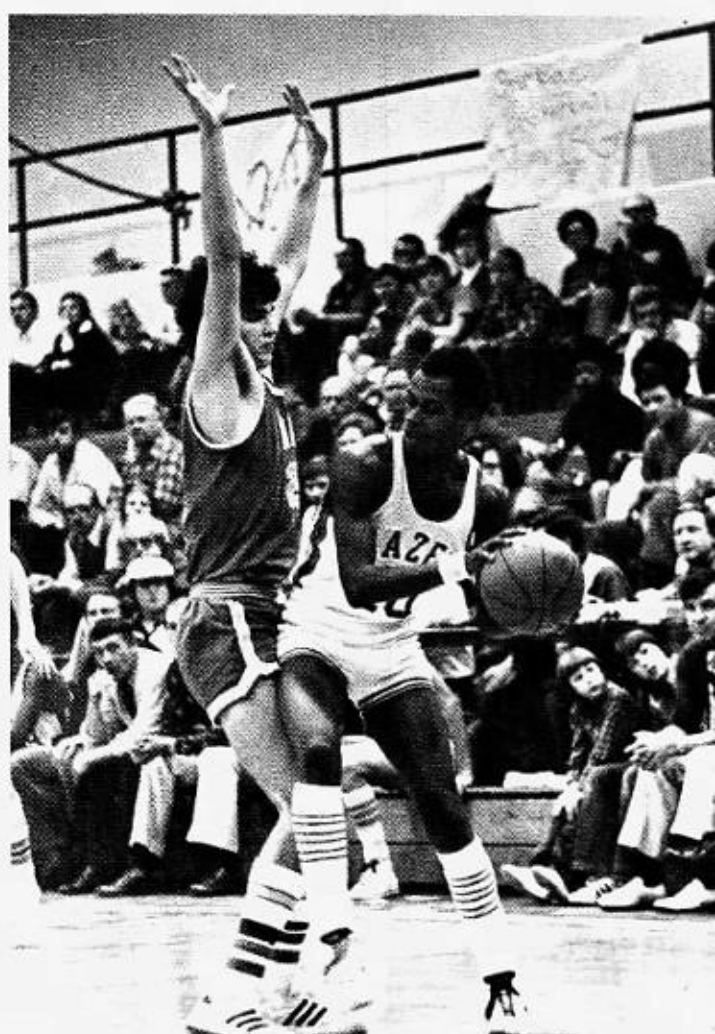

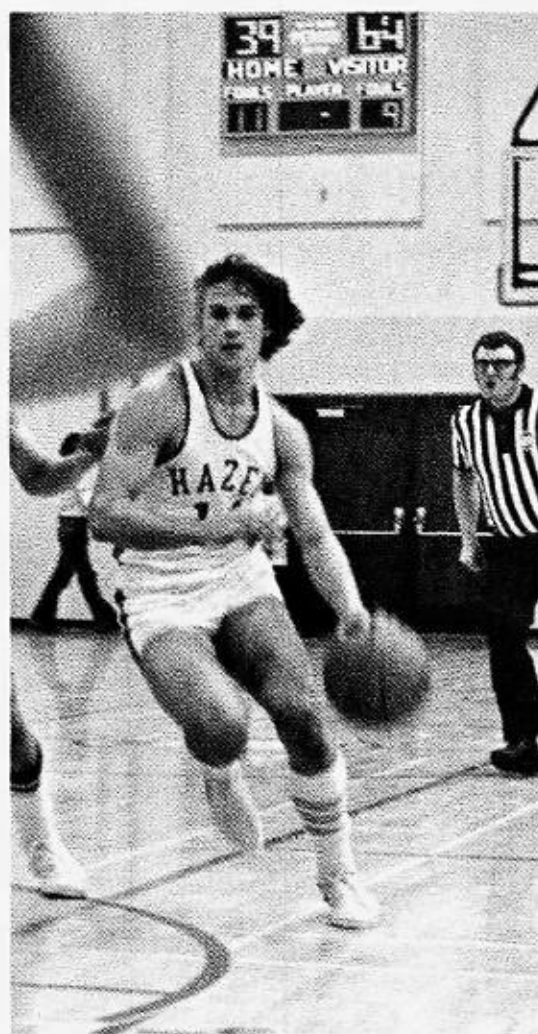

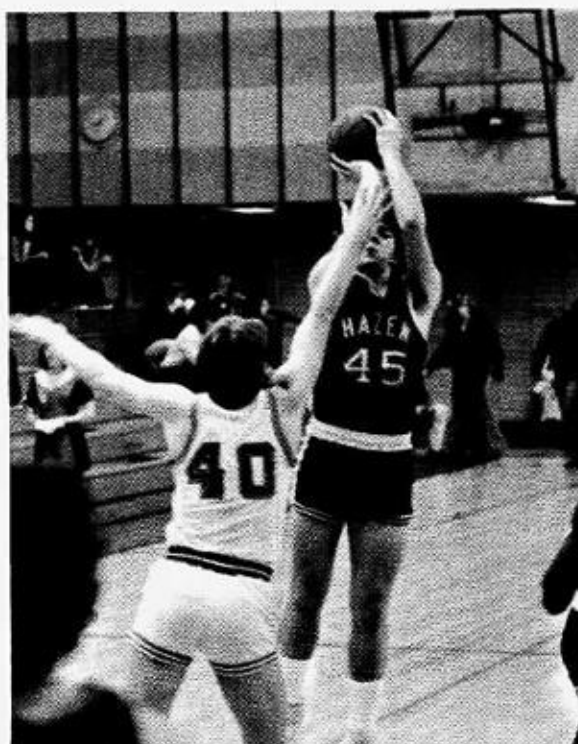

HAZEN 45-Mt. Rainier 46

Our next game was against Mt. Rainier. The team almost beat them but just came short. The final score was 46-45.

The team had good defense and good offense but Mt. Rainier played just a little better.

HAZEN 62-Evergreen 59

The last game of the season was against Evergreen, and with the Highlanders playing good basketball over the last few games, the team ended the season on a happy note, beating Evergreen 62-59. The game was close all the way. Steve Wagner and Jim Scott combined for 31 rebounds and Frank Rutt had 22 point.

Being the first year for Girls Basketball, it proved to be exciting and a new experience for the 14 members of the team and Coach West. The team ended the season with a 4-7 win-loss record. The team should be stronger next year because they only lost one player to graduation, Donna Tucker, and benefiting from the one year experience playing together as a team. Underclassmen

J U N I O R S

Members of the Junior Board, CLOCKWISE FROM TOP; Guy Richardson, Melissa Baumgartner, Amy Rawson, Debbie Bannach, Jan Flynn, Karen Snyder, Jill Plischke, Dawn Hemenway, Kit Brandt, Ann Siegenthaler. NOT PICTURED; Rhonda Doerflinger.

The class of "76" proved to be the best Junior class in Hazen's history. Under the able leadership of class president Karen Snyder, by mid-semester class funds were tripled. In order to do this, Karen and her board planned fund raising ideas which helped increase funds and to also promote class and school unity. Some of the activities included the summer carwashes, and during the school year, their participation in the Rock-a-thon. They also sold suckers in October, and the Junior class button sale. As a major fund raising event to pay for the Junior Prom, the class sold Worlds Finest Chocolate. A successful Junior Prom was the goal. The class of "76" looked forward to their Senior year with a positive attitude.

"Wow! That's powerful stuff!"

The class of '78 proved themselves to be the best Freshmen yet. Under the leadership of Beth Griffin, they really got in the school spirit. They started the year with a car wash and raised more funds by participating in the Rock-a-thon. They have many more activities planned for the future. With the help of the rest of the class, Beth and the board made the school year into one they will never forget.

A black and white photograph of a snowy mountain landscape. In the foreground, a steep, snow-covered slope is dotted with dark evergreen trees. The middle ground shows a valley or a series of ridges, also covered in snow and sparsely populated with trees. The background features more distant, snow-capped peaks under a light sky. The overall scene is a serene winter mountain vista.

The staff of the 1975 Lonach dedicates this book to the citizens of the Renton community who have given support to Hazen throughout the years. We thank you for your interest, time and effort.

your father is not a bank

Good old dad. Always there for a few bucks—or the car keys. But as long as dad's your bank, you're still a kid. Right? We figure that if you're earning your own money, you've earned the responsibility that goes with it.

When you bring your money to Peoples Bank for safekeeping, we won't keep it from you. And if it's savings, we'll pay you to keep it here.

There's no dad better than yours—and no bank better than—
